Is there financial help?

Yes! Reach out to Pastor Dee for more details.

No, this is a daily program and students go home each night and return in the morning.

Is this a mission trip?

Yes! This is the first step in experiencing missions in our city.

Who is this targeted for?

This program is designed for students currently in grades 6-8 (completing in June 2023) who are followers of Christ and ready to learn how to live on mission.

My student is going into Grade 6 in September, can they come?

No. PREMIX is for students currently in grades 6-8 and completed as of June 2023. We look forward to having your student move up to Junior Youth in September.

My student went last year. Will it be the same?

While the principles are the same, the speakers, worship team, and off-site experiences are different. And since they are a year older, they will have a new experience.

What if my student has allergies or dietary restrictions?

All allergies and dietary restrictions listed on the registration forms are accommodated for. Feel free to reach out with any concerns about how we take every precaution to keep everyone safe.

Can students bring their own food?

All meals are provided. Students do not have access to a fridge or microwave. However, if they want to bring extra snacks, make sure everything is peanut/nut free.

How can I contact my student?

Students can bring their cell phones and have access to them. They may be temporarily collected by the ministry team if they become a distraction. An emergency phone number will be provided in the final email before PREMIX.
